Why is a legal plan right for me?

Cover the costs on a wide range of common legal issues with a Legal Plan.

Access experienced attorneys to help with estate planning, home sales, tax audits and more.

Quality legal assistance can be pricey. And it can be hard to know how to find an attorney you trust. With **MetLife Legal Plans**, you can have a team of top attorneys ready to help you take care of life's planned and unplanned legal events.

During your lifetime, you may need legal help more often than you think. Getting married, buying or selling a home, starting a family, dealing with identity theft, sending your kids off to college or caring for aging parents are just some scenarios where our experienced attorneys can provide expert legal advice. With the legal plan, you get access to legal help for all of these issues and more, all for a monthly fee.

Q. How does the plan work?

A. Getting started is easy. You simply choose an attorney from our network, which is available online or by calling our Client Service Center. You can also choose an attorney outside of our network and be reimbursed according to a set fee reimbursement schedule.¹ It's that simple.

You can speak to our network attorneys face to face or by phone, or you can submit questions online to our Law Firm E-Panel® — whatever works best for you. And for certain legal matters, your attorney can represent you in court without you having to make an appearance.

Our network attorneys are there for you, whenever you need advice on any personal legal matter or representation on a number of legal services covered under your plan — increasing your peace of mind that you've got an expert on your side, for as long as you need them.

Q. Can I get help finding the right attorney for my needs?

A. Yes, our Client Service Center representatives are here to help you find the right attorney for your legal matter, whatever that might be. We're committed to ensuring you receive the expert legal help you need, when you need it.

Easy and cost-effective access to legal help for key life moments

**Q. How are attorneys selected for the network?
What are their qualifications?**

A. We only select attorneys who meet our selection criteria and agree to our Attorney Code of Excellence. Attorneys in the network have an average of 25 years experience in the practice of law, have graduated from an accredited law school and must maintain valid state licensure. Additionally, the attorneys must agree to provide superior customer service to all legal plan members. We routinely monitor our attorneys to ensure our members' needs are being met and conduct regular re-credentialing audit that looks at legal activity, member feedback, verification of malpractice insurance and more.

Q. Whom do I contact if I have a problem with the legal plan or an attorney?

A. Send an email to clientservice@legalplans.com or call our Client Service Center at 800-821-6400, Monday through Friday, 8 am to 8 pm ET when you have questions or concerns about our legal plan benefits, network attorneys or other matters involving the legal plan. We operate a full-service Client Service Center at our headquarters in Cleveland, Ohio. Our representatives are trained to answer questions and resolve problems, and will take immediate action to help resolve any issues that arise.

**Q. Can I use the plan outside my state of residence?
Is international coverage available?**

A. We operate a national network of more than 18,000 network attorneys in all 50 states and most U.S. territories. Plan members may receive service from Any Attorney. Anywhere. Anytime.® Plan members traveling outside the United States may also use the plan. Simply contact the attorney of your choice in your area. You will be reimbursed according to the out-of-network fee reimbursement schedule. You may call the Client Service Center at 800-821-6400 to get a copy of the out-of-network fee reimbursement schedule.

Q. Can I use an attorney who is not in the network?

A. Yes, you can use any attorney you'd like. If you choose an attorney outside of our network, we'll reimburse you for services based on a set fee reimbursement schedule.¹

Q. Can I use an attorney more than once?

A. Yes, you have unlimited use of the plan over the course of the year for covered legal matters.

Q. How much will it cost?

A. Less than you might think. For less than a dollar a day, you can have our legal experts on your side, for as long as you need them. You can find the exact cost for your plan in the enrollment materials provided by your employer.

Q. How do I pay for my coverage?

A. It's easy. Your premium is paid through payroll deductions, so you don't have to worry about writing any checks or missing payments.

Q. Are my spouse/domestic partner and family members also covered by my plan?

A. Most plans cover your spouse/domestic partner and dependent children; please see the details of your plan.

Q. Are claim forms required when using the legal plan?

A. No. We make using your plan easy. When you use a network attorney, there is nothing for you to do. Plan services are covered in full, and billing is between us and the network attorney. There are no waiting periods, no copays, no deductibles and no claim forms.

Digital estate planning

Q. What documents can I complete through the digital estate planning solution?

A. Available estate plan documents include the following:

- **Last will and testament** – Leave property to loved ones and choose guardians for minor children.
- **Living will** – Plan for a medical emergency and select medical care preferences.
- **Durable financial power of attorney** – Choose someone to manage finances in case of an emergency.
- **Probate avoidance documents** – Keep your home out of the probate process and have it pass directly to the beneficiaries of your choosing with either a transfer on death deed or revocable living trust, depending on your state.

Q. How do I create an estate plan?

A. You can create an estate plan by answering a few personal questions about yourself, your family and your assets. You will be guided through the process, providing the information needed to create the documents instantly, according to your wishes and the laws of your state.

You will have a chance to review the documents and change any of your wishes before signing. The process takes about 15 minutes from start to finish. You do not need to gather any documents before starting the process. You will be asked a few simple questions about your family and your assets to complete the documents according to your wishes.

Q. Are documents stored online?

A. Yes, documents will be saved within your account and you can come back to access them at any time using your email and password to log back in.

Q. Will I still be able to see an attorney for estate planning?

A. Yes, you will still have access to our attorney network to work directly with an attorney on your estate plan. The digital estate planning solution is just another option to get the help you need.

Q. How does the video notary² process work?

A. If you are in a state where video notary is available, once you complete your documents, you'll be notified if there are notaries available. If there is not, you will have the option to schedule for a later time.

Before you start the notary process you'll do a system and technology check to make sure that your video, speaker and microphone will work properly. You will need to have your driver's license on hand as an image will be captured of both sides to confirm your identity.

During the notary process, you will need to be by yourself, in a location with no distractions, unless you are doing a joint will with your spouse, which requires that both individuals are present.

A typical notary session takes 30-45 minutes, and a notary and two witnesses, that we provide, will be present. The session will be recorded and the notary will begin the process by explaining the documents and how the notarization will work. You must be physically located in the state you reside in at the time of the session.

At the end of the session, you will receive the documents electronically signed and generated with notary seal.

Q. What if I do not have access to sign and notarize my documents online?

A. If you are in a state where video notary is not available, you simply need to print and sign your documents following the instructions on the cover page of each document.

Q. Where can I get access to a notary?

A. Notaries are widely available at most banks, UPS and FedEx locations.
